Subject: Re: Discussion on Proposed Memorandum of Understanding to Restrict Residential Access to Haystack No. 1 AUM

Hey Mike - Sure let's talk about this! I'm heading out of town on leave till the 18th. I'll need to discuss this internally as well so why don't we book an appointment to talk on the 25th in the morning?

Hi Steve,

BNSF would like to discuss preparation of a possible Memorandum of Understanding (MOU) with you that would in effect restrict residential access to the Haystack No. 1 AUM site. The idea of an MOU appears to be acceptable to the Bureau of Indian Affairs. Are you available for a conference call during any of the following dates and times:

Friday March 15th between 9 and 10am or between 11am and 3pm;
Monday March 18th between 11:30am and 1:00pm;
Monday March 25th between 8 and 9am or between 11:30am and 1pm.

Please let me know which time works best for you and I will send out an Outlook Calendar invite.

Thank you,

Mike
